November 10, 2020

NOTICE IS HEREBY GIVEN that the following addendum serves to provide clarification and to answer the questions received on ITB #05-21, Sod Material and Services.

Question 1: Will we be invoicing based on each individual project size or per annual quantity used? For example, if we sod a project that is 1100 sq. ft @.50 per sq. ft the first week, and then we sod a project for 1500 sq. ft at .45 per sq. ft the next week. Will we be billing all work from that point forward at the higher quantity threshold of .45 per sq. ft. or is each project billed individually based on its total quantity?

Answer to Question 1: Reference DETAILED SPECIFICATIONS, 3.5 PAYMENT, 3rd bullet on page 18 of the solicitation.
