08/04/2022

NOTICE IS HEREBY GIVEN that the following addendum serves to provide clarification and to answer the questions received on ITB # 29-22, Galvanized Steel Pipe and Fittings.

Question 1: I just read that all items in a group must be bid on in that group to be considered. The line item #50 3/4x1/4x3/4 is made only by Ward manufacturing. I know that this item is specific in its configuration. And ask that it be considered as special item to be bid on only in its own group.

Answer to Question 1: On Exhibit A – Pricing Details by Group, Group 6: TEES, Item 50 – 3/4 INCH X 1/4 INCH X 3/4 INCH will be treated as a separate item. Vendors will not be disqualified from this group if this item is not included. However, all other items in this group must be bid on to be considered.
