

Notice of Plan Room Transition

March 26, 2020

The City of Clearwater was notified this morning that as of April 1, 2020 our plan room would be in transition for this project and would not support further projects. So, DVC Marketing will hold the documents for this project (Marshall St. – NE WRF Crack Sealing (FDEP)) without the plan room. If you are interested in obtaining the plans you may contact DVC at Julie@DVC360.com. I will provide DVC with all addendum, notices, agendas etc... as well as post on the City of Clearwater's website <https://www.myclearwater.com/business/bid-information>. You may contact me for further direction at carrie.szurly@myclearwater.com or 727 562-4782. I will be happy to help. I will be using the city website above to post future bids until further notice. Thank you for your patience and consideration as we work through this transition.
