

Addendum #2
RFQ 10-20; Consulting Services – City Hall Site Feasibility
November 6, 2019

NOTICE IS HEREBY GIVEN that the following addendum serves to provide clarification and to answer the questions received on RFQ No. 10-20; Consulting Services – City Hall Site Feasibility.

Question 1: The RFQ packet mentions that the design work must be done in SketchUp. We use a variety of visualization tools but not that one specifically. Is it possible to use Revit and its various plug-ins to complete this design work?

Answer to Question 1: The City will accept design work using other design software.

Question 2: Can you please clarify what happens once the concept work is complete? Specifically, is the firm selected for this award eligible to pursue the larger full services contract in the future?

Answer to Question 2: Refer to Addendum 1, Answer to Question 3.
