ITEM NO. 3 Clarifications of Pre-bid Meeting Agenda, Scope of work, BayCare Ballpark – Structural Repairs 2021 Project No. 20-0036-EN-A of items listed below:

1. The city's bid sheet has been revised so that longer numbers will fit in the cell new bid form is available for downloading from city's web site.
2. Aerial photos will **not** be required for this project.

ADDENDUM NO. 1 – BayCare Ballpark – Structural Repairs 2021

3. Weekly photos will be required.
4. The TNEMEC rep will verify (dry film thickness) DFT's. See specs requiring the contractor to check for (wet film thickness) WFT's.
5. TNEMEC paint is the only acceptable paint products for this project. TNEMEC representative advised that all products specified are brush and rolled, so the only thing that would need containment are areas that require sand blasting.
6. After the meeting TNEMEC rep (Mike Stensrud) said that containment is **not** required, however, the contractor is responsible to protect from all over spray, as noted on specifications page #29 item VII.D.5.
7. All other specified products are "or equal", subject to the engineer's approval as "equal".

End of Addendum No. 1
