**Addendum #1**  
**ITB #49-20, Ductile Iron Pipe, Fittings, Mechanical Joint Restraints, and**  
**Polyethylene Tubing**  
**September 4, 2020**

---

**NOTICE IS HEREBY GIVEN** that the following addendum serves to provide clarification and to answer the questions received on ITB #49-20, Ductile Iron Pipe, Fittings, Mechanical Joint Restraints, and Polyethylene Tubing.

Question 1: Will the city consider accepting Wilkins OS&Y flanged gate valves (3", 4", 6", & 8") under group 3 – large valves? They are not on the approved manufacturers list (F.8, page 21 of the detailed specifications), but they will meet all of the specs.

**Answer to Question 1: The City of Clearwater accepts Wilkins OS&Y as an approved manufacturer for flanged gate valves.**

Question 2: Will the city consider accepting ADS PolyFlex polyethylene service tubing under group 8 [Item D, page 19 of the detailed specifications] – service tubing? ADS had been a well known manufacturer of poly pipe across the US for many years.

**Answer to Question 2: The City of Clearwater accepts ADS PolyFlex as an approved manufacturer for polyethylene service tubing.**
